(also available in XO)

FEATURES and BENEFITS

- All vinyl, multi-chamber profile design for superior insulating properties for your comfort and energy savings.
- Mechanically-joined frame with accessory groove in standard 5-1/2" frame depth.
- Mechanically fastened aluminum reinforced door panels for rigidity and strength.
- Standard sizes available: 5', 6' or 8' width by 6'8" and 8' height.
- AAMA certified zinc-plated, double tandem steel rollers for durability and smooth, effortless sliding.
- Corrosion-resistant, anodized-aluminum tracks for ongoing, smooth gliding operation.
- Full perimeter triple layer weather stripping for excellent air and water tightness.
- Standard "Landmark" handle (with lock and key upgrade) and available upgrade to "Prestige" series handles.
- Heavy-duty screen with heavy-gauge extruded aluminum frame and fiberglass mesh for solid frame and smooth operation.
- Specially formulated, color-matched sealing material for durability in performance and color retention.
- Specially-designed fabrication equipment combined with some of the most efficient manufacturing processes ensure that the fit, finish and functionality of a PERFECT® brand sliding Patio Door is of the highest quality.
