

Colossal and Harmonious

The **Colossal patio door system's** 6'8" or 8' height option and up to 16' width availability allows for a visually extended living space and a panoramic view. Choose from two, three or four-panel configurations and customize placement of fixed and sliding panels to best suit your space and home interior. Or choose the sleek, modern **Harmony patio door**, available with a welded sash and a frame system that's fully welded or mechanically joined. Go Colossal and bold or enjoy your view with Harmony.
